paysafecard is so easy to use:

Customers log into myPaysafe or sign up for free.

They click „add money“ and enter their desired value of the paysafecard prepaid code, ranging from 5 to 150 EUR, and pay by bank transfer, credit card, or any of the other accepted payment methods.

Once payment is complete, the purchased paysafecard prepaid code is immediately available. Customers can then use it online right away.

This feature is also available via the paysafecard app. The paysafecard app is free to download for iOS and Android smartphones.
